Animals: A Visual Encyclopedia (An Animal Planet Book) by ...
At 304 pages, Animal Planet Animals: A Visual Encyclopedia is packed with information on over 2,500 animals and over 1,000 color photographs. Animal Planet Animals: A Visual Encyclopedia is divided into eight chapters with detailed profiles of the seven animal classes, which are also color coded. One feature that I find especially interesting is the green "Surprisingly Human" content box that appears from time to time, sharing facts about animals that our species shares, like the fact that ...
