Braving the wilderness is a call to action for showing up fully and embracing the fullness of our human potential. It is an invitation to unfold and stretch your physical, emotional, mental and spiritual contours. I suggest to read it with curiosity and stay present to what is feeling right and comfortable and what is feeling not so comfortable.

Several years ago, I read  
Braving the Wilderness by  
Brene Brown. In my quest for  
continual self-growth,  
inspiration and motivation  
during challenging moments  
in life, this book and its  
messages have been a  
blessing and created a  
platform for me to share  
with others the idea of  
braving our own, internal  
“wilderness”. A

Brown writes, 'The wilderness is an untamed, unpredictable place of solitude and searching. It is a place as dangerous as it is breathtaking, a place as sought after as it is feared. But it turns out to be the place of true belonging, and it's the bravest and most sacred place you will ever stand.'
