Dhërmi , Shpella e Piratëve 10 Maj 2016 *Shpella E Pirateve Petro Marko*

Shpella e piratëve është një nga romanet e shkrimtarit shqiptar Petro Marko botuar për herë të parë më 1964 në Tiranë. Përmbajtja [Redakto | Redakto nëpërmjet kodit] Narrativa zhvillohet në krahinën e Bregut, në viset ku kish lindur autori dhe trajton eksplorimin që një grup fëmijësh i bën shpellës në brigjet e Jaliskarit të fshatit Dhërmi [1] .

Shpella e piratëve (roman) - Wikipedia

Petro Marko is widely regarded as one of the founding fathers of modern Albanian prose. He was one of the most controversial writers in Communist Albania. A Spanish Civil-War Veteran, a communist and a humanist, he spent many years as a political prisoner on charges of dissidence and while some of his books never got published, most of them got censored and partly edited before being published.

Njeriu, idealisti dhe shkrimtari Petro Marko | ILLYRIA

Shpella E Pirateve Petro Marko Petro Marko is widely regarded as one of the founding fathers of modern Albanian prose. He was one of the most controversial writers in Communist Albania.

A New York Times Notable Book for 2011 One of Entertainment Weekly's Top 10 Nonfiction Books of the Year 2011 A Time Magazine Top 10 Nonfiction book of 2011 A Boston Globe Best Nonfiction Book of 2011 One of Library Journal's Best Books of 2011 A sharp-eyed, uniquely humane tour of America's cultural landscape—from high to low to lower than low—by the award-winning young star of the literary nonfiction world. In *Pulphed*, John Jeremiah Sullivan takes us on an exhilarating tour of our popular, unpopular, and at times completely forgotten culture. Simultaneously channeling the gonzo energy of Hunter S. Thompson and the wit and insight of Joan Didion, Sullivan shows us—with a laidback, erudite Southern charm that's all his own—how we really (no, really) live now. In his native Kentucky, Sullivan introduces us to Constantine Rafinesque, a nineteenth-century polymath genius who concocted a dense, fantastical prehistory of the New World. Back in modern times, Sullivan takes us to the Ozarks for a Christian rock festival; to Florida to meet the alumni and stragglers of MTV's *Real World*, who've generated their own self-perpetuating economy of minor celebrity; and all across the South on the trail of the blues. He takes us to Indiana to investigate the formative years of Michael Jackson and Axl Rose and then to the Gulf Coast in the wake of Katrina—and back again as its residents confront the BP oil spill. Gradually, a unifying narrative emerges, a story about this country that we've never heard told this way. It's like a fun-house hall-of-mirrors tour: Sullivan shows us who we are in ways we've never imagined to be true. Of course we don't know whether to laugh or cry when faced with this reflection—it's our inevitable sob-guffaws that attest to the power of Sullivan's work.

Masterful in its simplicity, *Chronicle in Stone* is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy's eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy's story are tantalizing fragments of the city's history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

A novel-in-verse about a young girl coming-of-age and stepping out of the shadow of her former best friend. Perfect for readers of Elizabeth Acevedo and Nikki Grimes. "Mahogany L. Browne's debut YA is an absolute masterpiece. It will leave you breathless." -Elizabeth Acevedo, New York Times bestselling author of *The Poet X* She looks me hard in my eyes & my knees lock into tree trunks My eyes don't dance like my heartbeat racing They stare straight back hot daggers. I remember things will never be the same. I remember things. With gritty and heartbreaking honesty, Mahogany L. Browne delivers a novel-in-verse about broken promises, fast rumors, and when growing up means growing apart from your best friend.

"A major international novelist."—The New York Times

For all the littlest progressives, waking up to seize a new day of justice and activism. Woke babies are up early. Woke babies raise their fists in the air. Woke babies cry out for justice. Woke babies grow up to change the world. This lyrical and empowering book is both a celebration of what it means to be a baby and what it means to be woke. With bright playful art, Woke Baby is an anthem of hope in a world where the only limit to a skyscraper is more blue.

"This collection of poems by women of color covers topics relating to social justice, activism, discrimination and empathy, focusing on the need to speak out and inspiring middle-graders." -Vogue Woke: A Young Poet's Guide to Justice is a collection of poems to inspire kids to stay woke and become a new generation of activists. Historically poets have been on the forefront of social movements. Woke is a collection of poems by women that reflects the joy and passion in the fight for social justice, tackling topics from discrimination to empathy, and acceptance to speaking out. With Theodore Taylor's bright, emotional art, and writing from Mahogany L. Browne, Elizabeth Acevedo and Olivia Gatwood, kids will be inspired to create their own art and poems to express how they see justice and injustice. With a foreword by best-selling author Jason Reynolds.

When Jean Sasson's book Princess: Life Behind the Veil in Saudi Arabia was published, it became an immediate international bestseller. It sold to 43 countries and spent 13 weeks on The New York Times bestseller list. Now, in this long-awaited, compelling new book, Sasson and the Princess 'Sultana' return to tell the world what it means to be a Saudi woman today. Through advances in education and with access to work, Saudi women are breaking through the barriers; they are becoming doctors, social workers, business owners and are even managing to push at the boundaries of public life. Major steps forward have, undoubtedly, been made. But this is not the whole story. Sadly, despite changes in the law, all too often legal loopholes leave women exposed to terrible suppression, abuse and crimes of psychological and physical violence. For many, the struggle for basic human rights continues. This fascinating insight will include personal stories of triumph and heartbreak, as told to Princess 'Sultana', her eldest daughter, and author Jean Sasson. Each of these stories will offer the reader a glimpse into different aspects of Saudi society, including the lives of the Princess, her daughter and other members of the Al-Saud Royal family.
