Today I found a great source with service manuals for Sony Vaio VGN series laptops and notebooks. Links to the service manuals were posted on one of the Russian forums (comment 13). Not sure for how long these service manuals will be available for downloads but they are the time of wringing this post.

The Vaio lineup is Sony's contribution to the laptop market. You can distinguish your Sony laptop from other manufacturers by the word VAIO written across the top, or by the word Sony written below the screen. The specific model of your laptop can be found on the label on the underside of the computer.
